

ARVI MUHAMMAD DWI ANANDA

arvi.mdaa@gmail.com | 085711539921

Arvi is an Informatics graduate specializing in web development, with proficiency in PHP and JavaScript. He has hands-on experience in web and database development demonstrated through various projects and training outputs during his study. Arvi has also worked at an advertising agency, serving as an IT support and operator for various projects in collaboration with major companies such as Han Mandala Sampoerna and Gudang Garam. These experiences highlight his collaborative mindset, eagerness to learn, and emerging leadership skills. He is motivated to further develop his expertise in a team-oriented environment and contribute to impactful technology solutions.
